SENIOR BENEFITS
Putting people back into the people business

I joined American Senior Benefits (ASB) in 2008. 14 amazing years has flown by, and I still love my partnership with ASB. Our agency has a welcoming, fun family atmosphere for agents and clients, and our give back mentality sets us a step above.

Besides Health and Life Insurance, we also have a power team of professionals to help with Estates Planning, Wealth Management services, and cutting costs in Home and Auto.

While we work hard, we also like to have fun: team building, fishing, cook-offs, contests and our Annual Feed My Starving Children competitions.

I live in Maple Grove, but I can come to you and my services are free!

I have 3 grown wonderful sons, and 4 sweet fur babies. My oldest lives in Austin, TX and my other 2 live here in Minnesota. They are my greatest blessing.

My passion, both personally and professionally, is seeking out ways to improve places and processes. I use that same enthusiasm towards my clients and reviewing all your options ~ giving you total peace of mind.

My commitment as *your* agent, is to provide to you, your friends and family, the best possible service, year after year.

You may have seen me at an Expo around Minnesota. Next time stop and say hello! I work with all Health/Life Insurance products. MNsure, Medicare, Life, LTC, Annuities, IRAs, and more. I find insurance solutions for every age. All questions are welcome
I'm here for you!

I am a broker promising a full disclosure, no pressure approach.
Working together to meet your needs!

Need a career change? – ask me about joining our team!!
